EMERGENCY

Emergency Lighting

Emergency lighting is essential for any commercial and industrial building. Our lighting will illuminate spaces and indicate where emergency exits are situated so personnel have assistance in finding the right direction to leave an area safely. Emergency lighting is usually found within offices and retail areas where there is a need for illuminating the exit areas.

These lights are a secondary light in case there is an emergency power shortage within the building or area. Therefore, it is essential you have these lights installed in order to comply with fire safety regulations.

Choose from our range of emergency lights, from emergency bulkheads to downlights, whatever it is you need, we have the solution for you.

DOWNLIGHTS

Downlights

High quality downlights for both internal indoor and external outdoor use. Add and even amount of downlights to create a seamless lighting finish, or use individual downlights to accent parts of the area needing lighting.

Downlights are bright and luminous for a wide spread of light. Our LED lights are engineered to be as efficient as possible.

With low cost energy consumption saving you up to 80% in electricity costs. All our Downlights are fire rated as standard, including IP rated models for waterproof lighting.

The recessed ceiling downlights can be used in any parts of the home or business. This includes bathrooms, kitchens, living rooms and other areas. Each Downlight comes with a 3 year warranty as standard.

Some models will come with the option of a 3 colour changing setting, choosing between daylight, warm white and cool white options.

Why choose Ecobrite?

We are the UK’s leading lighting company, innovating with new products and creating truly unique and stylish lighting products for your home or project.

With years of experience, we understand what it means to be a customer and the things needed to help you along the way in choosing the right light.

From our friendly customer service and expert advice, to our world class products created

with excellence and quality at its core. We understand lighting better than any one.

MODERN CHANDELIER

Modern Chandeliers

Modern Chandeliers will add glamour to your home. We have a wide range of chandeliers to choose from, traditional and contemporary.

Add a touch of opulence by choosing one of our quality lights and match them with wall lights for that extra presence of luxury.

Our ceiling chandeliers are ideal for lower ceilings, and the hanging chandeliers can be adjusted accordingly.

Reduce or increase the height of your light using the adjustable cables and change them anytime as desired.

Create a sophisticated atmosphere with our range of chandeliers, establish a classy elegant feel within the room.

With a wide range of modern and sleek design chandeliers on offer, you will find something truly unique.

Most of our chandeliers come with the option of 3 colour temperatures that can be changed via remote or switch.

Why choose Ecobrite?

OUTDOOR LIGHTING

Crystal Chandeliers

From waterproof Downlights to recessed lights, we have something for everyone.

With our outdoor lighting, you are not restricted to a specific room or space. Your outdoor area is your blank canvas, and you can create whatever you like.

Lighting the outside is just as important as lighting the inside. It provides you with an opportunity to express your creativity.

Outdoor lighting can be used to highlight the main features of your home, highlighting the natural features such as trees, shrubs or even the lawn.

We have a range of lighting that will help with this. From ground paving lights to spotlights that can create beautiful lighting features.

Create lighting around the border of your home with our outdoor waterproof lighting strip lights. Or even use our standing LED lighting bollards around your garden area.

Use our waterproof floodlights to highlight ponds and swimming pools, or even the angles of your home.

Motion sensor lighting will help you create a secure environment within your home. This ranges from our floodlights to our wall lights.

This will deter crime and provide safety for any hazards late at night.

All our outdoor lighting is ingress protected from both water and dirt resistance.

Why choose Ecobrite?

We are the UK’s leading lighting company, innovating with new products and creating truly

unique and stylish lighting products for your home or project.

With years of experience, we understand what it means to be a customer and the things needed to help you along the way in choosing the right light.

From our friendly customer service and expert advice, to our world class products created with excellence and quality at its core.

We understand lighting better than any one.

We are here to help you find the perfect lighting product, whether its for your new home, refurbishment or just changing a bulb!

Visit our showrooms and see the excellent range of products we have available.
