COMMERCIAL & INDUSTRIAL

COMMERCIAL & INDUSTRIAL LIGHTING

We have a wide collection of commercial and industrial lighting choices. We recommend out LED lighting panels for projects that are retail and office related. These panels will give you a high lumen brightness output while keeping your energy consumption costs as low as possible.

Our LED batten lighting will also replace your old and outdated halogen tube lights. Without any unnecessary parts and replacements, all you have to do is connect and fit your new light, and you are done.

Our UFO high/low bay lighting will ensure your industrial and warehouse lighting needs are also met. Easy to install lighting that will leave you satisfied with the amount of light dispersed throughout your building.

Emergency lighting is readily available, we have emergency maintained and non maintained options available.

Why choose Ecobrite?

We are the UK's leading lighting company, innovating with new products and creating truly unique and stylish lighting products for your home or project. With years of experience, we understand what it means to be a customer and the things needed to help you along the way in choosing the right light.

From our friendly customer service and expert advice to our world class products created with only the best materials. That is why we have a dedicated team to ensure that all our customers are satisfied, and their needs are taken care of.

Our aim is to help you find the perfect lighting product, whether it's for your new home, a refurbishment, commercial project or even just changing a bulb, we are ready to help. Visit one of our dedicated showrooms, with a display of all our new extensive range of products on display, our staff will help you with the process.
