EMERGENCY

Emergency Lighting

Emergency lighting is essential for any commercial and industrial building. Our lighting will illuminate spaces and indicate where emergency exits are situated so personnel have assistance in finding the right direction to leave an area safely. Emergency lighting is usually found within offices and retail areas where there is a need for illuminating the exit areas.

These lights are a secondary light in case there is an emergency power shortage within the building or area. Therefore, it is essential you have these lights installed in order to comply with fire safety regulations.

Choose from our range of emergency lights, from emergency bulkheads to downlights, whatever it is you need, we have the solution for you.
