ACCESSORIES & SUPPLIES

Accessories & Supplies

Explore our extensive range of lighting accessories and supplies to help you complete any of your electrical projects. Our aim is to equip our customers not with just something they just 'like' but something they **love**!

Our wide range of quick install connectors has all the products that you need to ensure you have a secure connection. Not only will this speed up your work, but maximise your project potential by decreasing the workload so you can have a stressless and successful project.

Furthermore, we also provide various add-on's to our other products. Our vision defines a perfectly completed project with nothing to look back over with regret. Therefore we recommend for the **best lights** to use the **best add-on's** to ensure the high standard of quality throughout your project.

Our accessories and supplies are thoughtfully designed to help with all sorts of repairs, replacements, and upgrades for your light. Nonetheless, we have gone the extra mile to also provide solutions that will result in a more energy efficient solution. This is incredibly essential to help our customers reduce their energy consumption and improve the comfort of their homes. Be at ease of mind with your purchases with us. Buy now. Enjoy forever.

TRACK

SPOTLIGHT TRACK - 1 METER LENGTH

This track system comes in metre lengths, it is manufactured from aluminium alloy and polycarbonate with a black finish. The track system can only be used with compatible ECOBRITE spotlights, found in the spotlight section. The sections have a live and dead end, these can be joined to create longer lengths by using the Track accessories and connectors.
